Re: Final Approval
Lucky Strike, Tony M Mine
ACT/017/001
Garfield County, Utah

Dear Mr. Sewell:

As you will recall, the Board of Oil, Gas, and Mining granted tentative approval to the Mining and Reclamation Plan submitted by Plateau Resources for the Lucky Strike, Tony M Mine at its June 27, 1979 Executive Meeting.

Subsequently this tentative approval was published for the required 30 day public comment period. During which time, no adverse public comment was received.

Therefore, having fulfilled all other requirements of the Utah Mined Land Reclamation Act, including the posting of surety in the amount of \$25,840, the Division hereby issues Final Approval to Plateau Resources for the Lucky Strike Tony M Mine. The mine may now lawfully operate under the Utah Mined Land Reclamation Act.

Please be reminded of Section 40-8 of the Utah Mined Land Reclamation Act which requires that an Annual Operations and Progress Report be filled out for this operation and submitted to this Division at the end of each calendar year.

Sincerely,

Ronald W. Daniels
